Please don't forget to visit our chapter website at [Columbia River AFIO](#) Updated on a regular basis.

This chapter's purpose: The Chapter is organized to undertake any lawful activities and to promote public and professional understanding of and support for intelligence disciplines and the practice of intelligence in support of national security. This purpose shall be accomplished by such activities including, but not limited to, the academic teaching of intelligence-related topics at universities, colleges, vocational and technical schools; reviewing and making available intelligence-related literature; and providing responsible written commentaries or public presentations utilizing open-source information concerning national intelligence issues, organizations, and activities. Furthermore, the Chapter may publish reports, reviews, newsletters, and journals; provide media commentaries, conduct meetings, seminars, and workshops; provide speakers to public associations, media interviews, and working groups; produce videos and other educational material; and sponsor databases, scholarly research activities, speakers, recognition, scholarships. It may do so alone or in partnership with other organizations.

Article II Section I Statement of Purpose, Columbia River Chapter of AFIO Bylaws Adopted August 2017.
